The applicant with the highest ranking in each category receives a 1, the next highest a 2 etc.

The score of each applicant in each category is added together and the applicant with the lowest score is the winner. A tie is broken in favor of the applicant with the lowest score in the categories in the order above. The scholarships will be announced on 6/6/2024 with the scholarship awarded by the time the scholarship winners matriculate into the U.S. accredited 4-year college.
